

**My Page** allows you to customize the news, traffic, and weather portlets to display information applicable to your location (i.e. zip code or city) and/or interests.

### How do I Customize My News Source?

To customize news:

1. Click *Edit News Source* in the **News Headlines** portlet. The **Edit Portlet Preferences** page is displayed (see Figure 1).

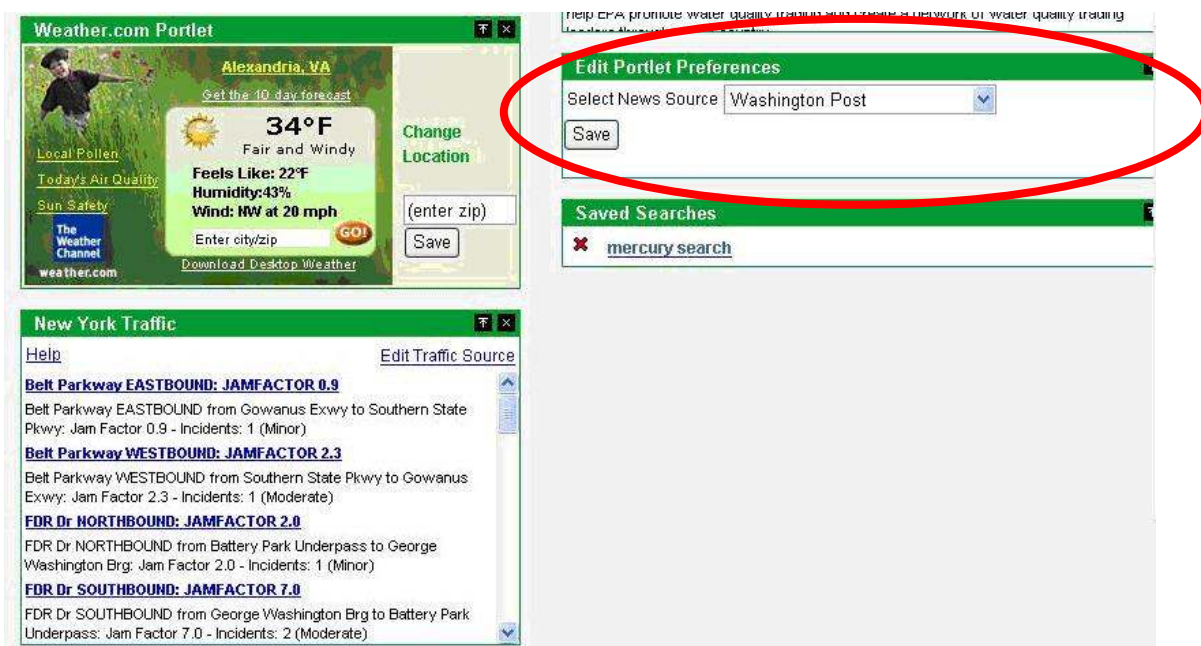

Figure 1: Edit News Source Preferences

2. Select your desired news source from the drop down list.
3. Click *Save*.
4. News feeds from your desired news source will be displayed in the **News Headlines** portlet on **My Page**. There are two news portlets available; a regular news source and an environmental news source. You can customize both.

### How do I Customize My Traffic?

To customize traffic:

1. Click *Edit Traffic Source* in the **Traffic** portlet. This will take you to the **Edit Portlet Preferences** page (see Figure 2).

Figure 2: Edit Traffic Preferences

2. Choose your desired city from the drop down list.
3. Click *Save*.
4. The traffic information of your chosen city will display in the **Traffic** portlet on **My Page**.

## How do I Customize My Weather?

1. Enter your zip code in the **Weather.com Portlet**. (see Figure 3).

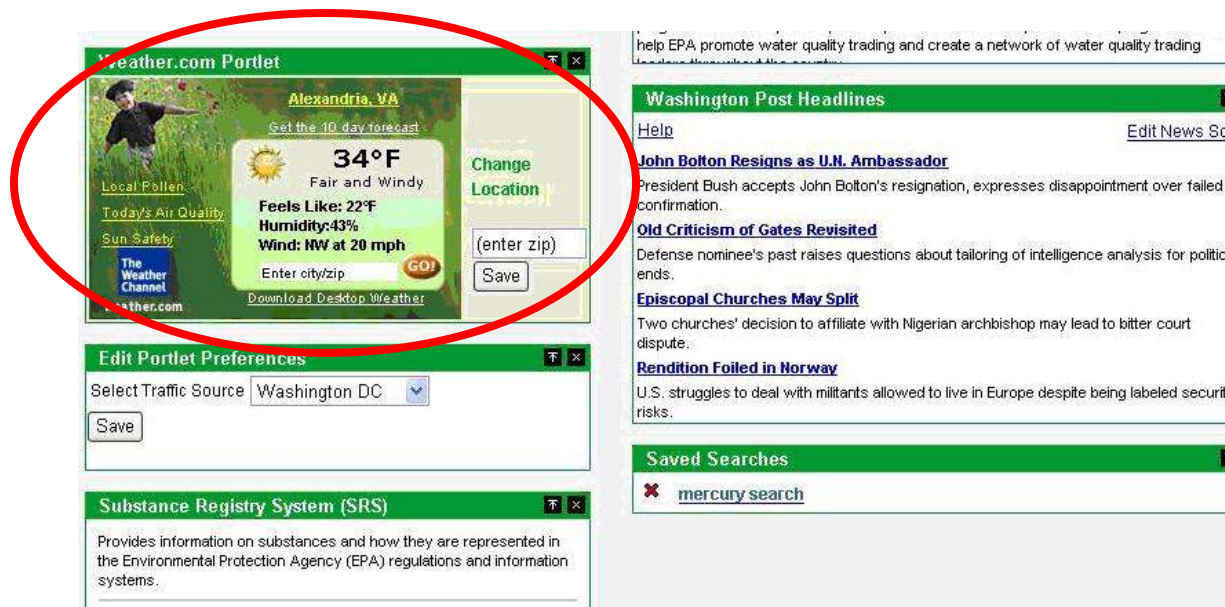

Figure 3: Edit Weather Preferences

2. Enter you desired Zip code for which you would like to receive weather information.
3. Click *Save*.
4. The weather information for your chosen city will display in the **Weather.com Portlet (Detailed)** on **My Page**.

Please Note: *In addition to the customization options discussed above, you may also choose to add or remove portlets from **My Page**. For instructions on adding and removing portlets, please see the Quick Reference Guide entitled, My Page: Adding/Removing Portlets.*

### **Who to Contact for Help**

For questions, concerns, or assistance in using the Portal, contact the EPA Customer Call Center at 1-866-411-4EPA or [epacallcenter@epa.gov](mailto:epacallcenter@epa.gov).
